**CKC/CDJA Advanced Dog
Judge's Conference
October 26, 27 & 28, 2018
in Winnipeg, Manitoba**

In the Heartland Judges from across Canada will gather to share information, experiences and celebrate our common passion - everything Canine! The weekend will start out with the Friday evening CDJA Welcome Wine and Goodies event to be held in the Manitoba Sports Hall of Fame and Museum. While sharing memories with friends and making new ones, you will be able to travel thru time and experience the best amateur sport athletes Manitoba had to offer.

Our host hotel, is located in the heart of the famous Exchange District, home of North America's most extensive turn of the century buildings. The Mere Hotel, a boutique hotel on the shores of the Red River will be your home for the weekend. Only a one block walk will get you to the Manitoba Sports Hall of Fame where our conference will be held.

Our guest speaker this weekend is Dr. Sophia Kaluzniacki from Green Valley, Arizona. A veterinarian, AKC judge and Akita specialist, she will be speaking on the Japanese Akita vs the North American Akita. Sophia was integral part of the development of the new Akita Illustrated Standard for the Akita Club of America.

After a full day, Saturday night will be topped off by our "No Host Dinner" to be held at Carnival - a Brazilian BBQ restaurant - an easy 5 minute walk from the host hotel.

There will be several breed seminars with enough time allowed for hands on and observing appropriate movement for the featured breeds. We will have both Sherry Weiss from CKC and Kathy Rust, an AKC licenced judge that will speak on a variety of topics. We will keep you posted as more information is finalized.
