

**SACJA presents
Rat Terrier & Toy Fox Terrier Judges Education Seminar
April 28, 2018**

**Time: 1:00 pm - 4:00 pm
at Auburnmist Kennels of Wendy & Keith Petkau
Dewinton, AB. (minutes from Calgary)**

Jennifer Sider will be our presenter for the Rat Terriers and has over 30 years experience in the dog and horse industry, taking part in many aspects of both from provincial level competitions to all performance events. Her mentor, Barbara Trammell, is also a UKC Breed Judge in Rat Terriers and has been in the breed for 60 years, achieving many top awards in UKC, AKC and now CKC. Jennifer got her first Rat Terrier in 2010 and has extensive experience with the breed since then. Jennifer does many sports with her dogs and breeds under the kennel name of Pyxis Rat Terriers, which are recognized with the UKC, CKC and AKC as registered foundation stock.

Cynthia Roeder became involved in Toy Fox Terriers because she had one as a young girl and fell in love with the breed. About 10 years ago she got her first one, a white & tan, feisty little one. Then she got a second one and next thing she knew she was breeding and hasn't looked back. She breeds under the registered name of Roeder's. **Sharon Hager** has been in Toy Fox Terriers since 2001. In 2004 she started competing at UKC, CARO, CKC and APDT Rally, showing in conformation and obedience and doing therapy work with her dogs and some breeding. Originally her dogs came from Terrimo Kennels in Mayerthorpe, Alberta. Then her first show dog came from Belleamie Kennels in Texas, USA and others followed.

Don't miss this important afternoon!

Learn the history of these breeds and how to evaluate a good Rat Terrier and Toy Fox Terrier.
Discussion on their function and key points to watch for with dogs to go over.

DEADLINE to REGISTER: April 20, 2018
